Subject: Car Sticker

Dear Valued Customers,

We thank you all for your support during the year 2012.

It has been frequently noticed that congestion at CT operations area is creating hindrance in carrying out routine. In view to reduce this and on safety concerns, we would like to update the trade that ADT is permitting two weeks' notice effective from today, 26th July, 2012 to re-submit the names & required details for the persons who are specifically required to enter the operations area noting that the maximum number of car stickers issued to each company shall not exceed 6.

In view of the above, please note that all the current stickers issued shall be cancelled and new stickers would be issued as required. To avail this facility, you are kindly requested to send e-mails to Mr. Hussain - Manager – CFS / Staff Allocation & Equipment Control:
