Subject: Marine Services – Freeport / Municipality Harbour

ADT management would like to draw your attention to the standard procedures relating to pilot services and mooring gangs for vessels calling at the Freeport and the Municipality Harbour

For all units of 100 metres and above piloting services are mandatory. The services of a mooring gang for berthing/un berthing is compulsory for all marine units (any type and LOA) calling at the Freeport and the Municipality Harbour.

Effective 1st September 2010, charges relating to the above services will be billed as per ADT marine tariff.
