Date: 28.04.2010

**Recipients: All Shipping Lines / Agents.**

**Subject : Reduction in Export Cut-off time.**

In order to make Customers benefit from the maximum window for receipt of export containers, ADT is pleased to advise that Export Containers Cut-off time is reduce from 8 hours to 2 hours before the ETA of the loading Vessel.

We hope this will give the traders better flexibility in completing their export document process with CT operations.

We thank you for your support.
